■ **BOOK SIGNING:** Daymond John, founder of the FUBU clothing empire, signs a copy of his new book, *Display of Power: (How FUBU Changed A World Of Fashion, Branding and Lifestyle)*, at the Sheraton New York Hotel and Towers. The book details how John, who is hailed as "the godfather of young men's urban/fashion," built FUBU and provides a blueprint for youth, entrepreneurs and business professionals on how to achieve success. The FUBU line is sold in 60 countries and is one of the most recognized urban clothing brands in the world.
